

**Memorandum of Understanding between
The University of Kansas School of Business, Lawrence, KS and
The William Jewell College Department of Business and Leadership, Liberty, MO**

In accordance with a mutual desire for William Jewell College (William Jewell) undergraduate Accounting program students to efficiently matriculate into the University of Kansas Master of Accounting (MAcc) program, the two institutions join in the following Memorandum of Understanding:

1. Automatic admittance to the MAcc program requires a 3.5 overall GPA and a letter of recommendation from a William Jewell Accounting program Faculty Advisor. Exceptions could be considered at the request of the William Jewell Faculty Advisor.
2. The MAcc application fee will not be waived for William Jewell students since it is not waived for undergraduate Accounting students attending the University of Kansas.
3. The University of Kansas Business Career Services fee for use of its services that is generally charged to students not attending the University of Kansas will be waived for William Jewell students.
4. William Jewell students may co-enroll in the MAcc program in the last semester of their undergraduate degree per a co-enrollment partnership agreed to by the University of Kansas Office of Graduate Studies. William Jewell students must be admitted to the MAcc program in the semester prior to the co-enrollment semester and must graduate with their undergraduate degree in the semester in which they co-enroll at the University of Kansas.
5. Tuition costs will be applied with the same rules that apply to any University of Kansas student. In order to qualify for in-state tuition, a student must be a Kansas resident.
6. William Jewell students may elect to attend the MAcc Working Professional program at the Edwards Campus in Overland Park as opposed to the MAcc Full-Time program on the Lawrence campus. If students live in qualifying counties (Bates, Buchanan, Cass, Clay, Clinton, Henry, Jackson, Johnson, Lafayette, Platte or Ray), tuition will be charged at the Metro Rate, which is equivalent to the in-state rate.
7. Pre-approved or admitted William Jewell students will be invited to attend relevant University of Kansas Accounting program activities as determined by both parties.
8. Pre-approved or admitted William Jewell students will be allowed access to the University of Kansas undergraduate Accounting and MAcc Blackboard sites. Regular posts to these sites update students about activities, assistantship opportunities, job opportunities, and other important announcements.
9. Admitted William Jewell students will be eligible for MAcc scholarships.

Adjustments to this agreement may be designated by mutual consent and incorporated as addenda to this agreement upon signature by appropriate representatives of both institutions. Appropriate representatives may also specify the details of agreement for any items identified above in the form of addenda to this agreement upon signature.

This agreement will become effective upon the date of signature by the representatives of both institutions.

This agreement is valid for a period of five years from the effective date and may be renewed before the expiration date by agreement between the parties.
