## BSE, Physical Education Plus

### Johnson County Community College

The bachelor's degree in physical education plus at the University of Kansas School of Education and Human Sciences prepares individuals to become PE teachers at the PK-12 level, as well as to pursue a licensure endorsement in a second area through KSDE by examination OR a minor in business or sport management.

Benefits of the program include:

- **Program Reputation** - KU's Bachelor's degree in Physical Education Plus is offered through the KU School of Education and Human Sciences, which is ranked among the top 10 Best Public Education Schools according to *U.S. News & World Report*.
- **Dual Programming** - Coursework fulfills the requirements for a Bachelor's degree and also prepares students to pursue a Kansas initial teaching license in physical education. It's a two-for-one program at KU!
- **Student Organizations & Networking** - Students can actively participate in the Kansas National Education Association (KNEA), a unique, student-led organization.
- **Nationally-accredited Program** - The KU School of Education and Human Sciences is accredited under the NCATE Standards through the Council for the Accreditation of Education Preparation (CAEP) Accreditation System.

This transfer guide provides important information and a sample two-semester plan for a student starting at Johnson County Community College and transferring to KU for the remaining coursework. In addition, we provide additional courses a student may choose to take at the community college prior to transferring to KU. Each student's background and goals are unique. Thus we recommend ongoing communication with an advisor at KU. See contact information at the bottom of this page.

## Physical Education Plus Requirements

### 1 Step One: Admission to the University of Kansas

All incoming students must first gain admission to the University of Kansas. Admission applications to the University of Kansas may be completed online at [admissions.ku.edu](http://admissions.ku.edu). Gaining admission to the University of Kansas requires the submission of official college transcripts from all previously attended colleges/universities.

### 2 Step Two: Admission to the KU School of Education and Human Sciences

Select "School of Education and Human Sciences" as your school and "Physical Education Plus" as the degree you will be pursuing. Students should have a 2.75 KU + Transfer Cumulative GPA to be considered for admission.

**Additional Notes for Transfer Students**

While additional courses have been included on this transfer guide it should be noted that due to prerequisites and course offerings if a student spends two years at a community college, the student may still have three years of courses to complete once at KU.

<sup>1</sup> Students may complete First Aid/CPR Certification through an entity which is OSHA compliant, such as the American Red Cross.

<sup>2</sup> Prioritize completing BIOL 240 before transfer

- It may be possible to take courses for one of the required Plus options while enrolled at a community college. Consult with the School of Education & Human Sciences for details.
- Transfer credits with earned grades of D+ and below will not satisfy graduation requirements, but will still be included in the transfer GPA. If a student takes a course and then repeats it at the same institution, KU will honor the course repeat policy in effect at the institution issuing the transcript. All grades for academically forgiven courses will be included in the transferable GPA.
- A bachelor's degree must include 120 completed credit hours. A student may apply a maximum of 64 credit hours of community college coursework to a KU degree. Students with more than 64 credit hours of community college coursework cannot apply the additional hours toward the 120 hour requirement.
- Transfer courses may be matched to a course of opposite level at KU, but the level of credit is defined by the originating institution. (All community college courses are lower level.)
- View the most up-to-date listings of transferable courses at: <http://credittransfer.ku.edu>. You can search by specific KU Core goal or view many of the courses that transfer to KU. If a class is not listed contact [transfercredit@ku.edu](mailto:transfercredit@ku.edu) to inquire about transferability.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer program is provided as a service and is updated annually. Degree requirements are subject to change.
