

Transfer Guide

Secondary Education

Barton Community College

The Curriculum & Teaching Department at KU offers three teacher education programs for students interested in being licensed in secondary education. This guide will provide information about the Secondary Level English, History & Government, and Foreign Language teacher education programs available for students. The KU School of Education and Human Sciences also partners with various departments at KU to provide additional undergraduate teacher education program options. Please check the program websites often as additional information is frequently added.

Benefits of the program include:

- **Program Reputation** - The KU School of Education and Human Sciences, which recently ranked 9th in the nation according to *U.S. News & World Report's* Best Public Education Schools.
- **Field Experiences, Early & Often** - The teacher education program combines general education courses and professional education coursework with multiple field experiences at the secondary level in rural, urban, and suburban communities.
- **Dual Programming** - Coursework fulfills the requirements for a Bachelor's degree as well as initial teaching licensure in Kansas.
- **Teacher Licensure Options** - Students who successfully complete this program at KU may be eligible to take advantage of licensure endorsements options: TESOL or Special Education.
- **Nationally-accredited Program** - The KU School of Education and Human Sciences is accredited under the National Council for Accreditation of Teacher Education (NCATE) Standards through the CAEP Accreditation System.

This transfer guide provides important information and a sample two-semester plan for a student starting at Barton Community College and transferring to KU for the remaining coursework. In addition, we provide additional courses a student may choose to take at the community college prior to transferring to KU. It is important to note that Teacher Education at KU is a five-semester sequence after prerequisites/core courses are completed. Students are advised to consider transferring by spring of sophomore year, at the latest. We recommend consulting with one's adviser at Johnson County Community College and emailing us with any additional questions you have. See contact information at the bottom of this page.

Secondary Education Admission Requirements

- 1 Step One: Admission to the University of Kansas**
Apply to the University of Kansas by filling out a transfer application at admissions.ku.edu. Gaining admission to the University of Kansas requires the submission of official college transcripts from all previously attended colleges/universities.
- 2 Step Two: Admission to the KU School of Education and Human Sciences**
Select "School of Education and Human Sciences" as your school and "Secondary Education" as the degree you will be pursuing. Students should have a 2.75 PA or higher for their KU and KU + Transfer GPA to be considered for admission.

The following courses are recommendations to assist in the transfer process, but are not requirements for admission:

- ENGL 101
- ENGL 102
- COMS 130
- MATH 101 or 104
- GEOG 104
- C&T 100
- HIST 128
- GEOG 100 (For Hist & Govt)

Additional Notes for Transfer Students

The Secondary English education program mixes literature-based theory and knowledge with culturally rich readings and discussions. Courses taught by the English Department offer students learning options in rhetoric, linguistics, and literature.

¹Courses offered at your community college that are equivalent to MATH 101 or 104, or higher satisfy this requirement. See KU advisor or CredTran for available courses.

- While additional courses have been included on this transfer guide it should be noted that due to prerequisites and course offerings if a student spends two years at a community college, the student may still have three years of courses to complete once at KU.
- Transfer credits with earned grades of D+ and below will not satisfy graduation requirements, but will be included in the transfer GPA. If a student takes a course and then repeats it at the same institution, KU will honor the course repeat policy in effect at the institution issuing the transcript.
- A bachelor’s degree must include 120 completed credit hours. A student may apply a maximum of 64 credit hours of community college coursework to a KU degree.
- Transfer courses may be matched to a course of opposite level at KU, but the level of credit is defined by the originating institution. (All community college courses are lower level.)
- View the most up-to-date listings of transferable courses at: credittransfer.ku.edu. You can search by specific KU Core goal or view many of the courses that transfer to KU. If a class is not listed contact transfercredit@ku.edu to inquire about transferability.

It is the STUDENT’S RESPONSIBILITY to check for updates to all transfer information. This transfer program is provided as a service and is updated annually. Degree requirements are subject to change.

Additional Notes for Transfer Students

The Foreign Language teacher education program curriculum is built on the belief that it is critical for KU students to not only gain a broad-based teacher education preparation, but to supplement that education with hands-on practical experience in the field. This powerful combination allows our students to excel in any classroom environment.

¹Courses offered at your community college that are equivalent to MATH 101 or 104, or higher satisfy this requirement. See KU advisor or CredTran for available courses.

²While this guide is built with Spanish, if your community college offers another language (French, German, Chinese, Japanese, Russian, Latin) you can take the Intermediate Level equivalent and follow the rest of the curriculum. If you begin your language curriculum at the elementary level you may continue at the Intermediate Level when you arrive at KU.

- While additional courses have been included on this transfer guide it should be noted that due to prerequisites and course offerings if a student spends two years at a community college, the student may still have three years of courses to complete once at KU.
