Bachelor of Science in Business

Hesston College

At the Lawrence campus, the KU School of Business offers a Bachelor of Science in Business degree, with eight unique major options: Accounting, Business Administration, Business Analytics, Finance, Information Systems, Management & Leadership, Marketing, and Supply Chain Management. Please note, the Bachelor of Science in Business program is offered in a traditional classroom format, with few options for evening/online courses.

This transfer guide provides important information and a sample four-semester plan for a student starting at Hesston College and transferring to KU for the remaining coursework. However, each student's background and goals are unique. Thus we recommend ongoing communication with an advisor in the KU School of Business. See contact information at the bottom of this page.

School of Business Admission Requirements

1 Step One: Admission to the University of Kansas
All incoming students must first gain admission to the University of Kansas. Admission applications to the University of Kansas may be completed online at www.admissions.ku.edu. Gaining admission to the University of Kansas requires the submission of official college transcripts from all previously attended colleges/universities. Please note that indicating "Business Major" on your application to KU does not grant you entry to the KU School of Business. For scholarship consideration, we encourage you to apply to KU by February 1st prior to the fall/summer semester you plan to transfer to KU. No scholarships are awarded for students transferring to KU during a spring semester.

2 Step Two: Admission to the KU School of Business
After granted admission to KU, students are permitted to complete the KU School of Business application. Transfer students are eligible to apply during the semester they will complete the minimum requirements to apply (see below). The application deadline for Fall Admission is the prior February 15th, and for Spring Admission is the prior September 15th. In the instance that one or more of the pre-admission foundation courses has not been completed before transferring to KU, that student will be considered a Pre-Business student in the College of Liberal Arts and Sciences until they meet the minimum requirements to apply.
