This transfer guide provides important information and a sample four-semester plan for a student starting at Metropolitan Community College and transferring to KU for the remaining coursework. However, each student’s background and goals are unique. Thus we recommend ongoing communication with an advisor in the KU School of Business. See contact information at the bottom of this page.

*It is recommended that general electives be used to complete prerequisites, explore interests, and/or study a foreign language, as well as complete an Associate’s Degree at Metropolitan Community College. A Bachelor Degree requires 45-upper level hours. Transfer courses may be matched to a course of opposite level at KU, but the level of credit is defined by the originating institution. (All community college courses are lower level.)*
